A good tone is of supreme importance in a piano and a reasonable price is equally to be desired.

· The Waters Pianos and Player-Pianos offer both; a good tone and a reasonable price.

The Waters tone is very sweet and musical, with a fine singing quality, and the Waters prices are very reasonable, but in the interest of true economy and not at the sacrifice of quality.

Also the Waters 3-Year System gives you three years' time on a piano without interest or extras.

Call and let us demonstrate what we claim for the Waters Pianos and Player-Pianos or send postal for catalogue with reduced prices and terms.
